

Swinger 400 (Aluminium Panel)

Important Guidelines

- Artwork must be supplied in CMYK, please convert pantones and RGB colours.
 - Ensure all images are embedded.
 - Convert all fonts to outlines.
 - Minimum image resolution at 100% scale is 72dpi.
 - Please place your artwork on the artwork layer of this PDF template.
 - Please supply artwork as a PDF.
 - Colours on your screen may appear differently to the colours that will be printed.
 - Would recommend to avoid placing any text/logos or important images near the corners and clip holes.
 - Your design will be printed on both sides
 - You can supply 2 different designs, one for either side.
-
